- IX. Closing prayer – Karen Kendall
- X. Adjournment at 12:49 pm.

Respectfully submitted by Karen Kendall

Pastoral Report June2021:

It is my pleasure to say that I have not been in a hospital or sick during this month. There is still more to my journey of recovery, but I am on the yellow brick road. As a church we have made strides this month.

We brought in a new board member, Betty Adams, as Gisselle resigned due to her passion for creating a children's ministry for NFLMCC. We are happy to have Betty on our team and know that she offers much wisdom in the growing of our church.

I have been in contact with some of our people that we have not seen in a while. Since we have decided to reopen our church to the public on Sunday July 4, 2021, I believe our attendance will start to grow.

I have been in contact with Community Hospice in St. Vincent's Hospital. I explained that our church would like to donate prayer shawls for their patients. I explained that we would pray over each shawl before we delivered them to their patients. The staff was truly excited to have our church involved.

Since we are opening our church back up to the community, Karen and I have been working on making sure our church is insured. Even though we share space with Jewish Family and Community Services, we have a responsibility to provide insurance for our church.

As always, I am thrilled to be your pastor. I have my regular office hours but if there is ever an emergency, please contact me so that I can be of service to you and your family. We here at NFLMCC have the chance to make a difference in Jacksonville. But, in order to do this, we need your help. Please consider participating more in whatever interests you at NFLMCC. It is our hope to develop a children's ministry because we all know how important it is to assure our children that God is always there for them.

Building God's church is a process and I know we have been blessed and called to do this. We can do this by taking a step one day at a time.

Blessings,

Rev. Karla
